ACTRAISER - Professional Mode - After you finish the game, go to the title screen and push DOWN until a "Professional" mode appears. This will let you play only the game action scenes.

CASTLEVANIA 4 - Invisible Staircase - Go to the last level with the staircase before Dracula. Jump off of the edge of the platform and you will land on an invisible staircase. Go all of the way to the left and power-ups will drop, giving you all you need to defeat Dracula.

DARIUS TWIN - 49 Extra Ships - Plug in controller 2. On the option screen, hold the L and R buttons on controller 2 and press SELECT and START on controller 1. This will give 1 or 2 players 49 lives.

Safe Spot - Get the high score and enter your initials as ZZT. Wait for the demo and there will be no enemies when your ships appear.

No Enemy Demo - In the first level, place your ship above the last three digits of the score and nothing will hit you until you meet the Boss.

FINAL FIGHT - Option Mode - At the title, hold L and press START.

F-ZERO - Gain Lap Time - Get a Super Jet and head to the left, after passing the finish line. Activate the Super Jet right before you reach the jump ramp and quickly angle to the right to fly to the other side of the track.

GRADIUS 3 - Extra Credits - At the title screen, press X very rapidly. If you are fast enough, you will get nine credits.

Arcade Mode - Go to the option mode and when in Game Level, press the A button rapidly until "Arcade" mode appears.

30 Extra Ships - At the title screen, hold LEFT on the pad and press the A button three times. When you start, you will have 30 ships.

Trick Full Power-Up - Pause the game and press UP, UP, DOWN, DOWN, LEFT, RIGHT, LEFT, RIGHT, B, A and START.

Real Full Power Up - Pause the game and press UP, UP, DOWN, DOWN, L button, R button, L button, R button, B, A and START.

Super Demo - At the intro screen, hold the A button until the demo starts.

PAPERBOY 2 - Start On Higher Level - To start on the "Hard Way," go to the route option and put in the code: 6479.

PILOTWINGS - Bonus Stages - Using the parachute, rocketbelt or hanglider, maneuver yourself over a moving platform. If you land on it, you will be taken to a bonus stage.

Level Codes - Level 1: 000000, Level 2: 985206, Level 3: 394391, Level 4: 520771, Hell Mission: 108048, Level 6:400718, Level 7: 773224, Level 8: 165411, Level 9: 760357, Hell Mission (Expert): 882943.

SIM CITY - More Maps - Go to "Start New City" on the menu and choose any map from 1 to 999. "Ok" the map you want. Go into the map and choose the "Go To Menu" icon at the top of the screen. Do not save. Choose "Start New City" again on the menu screen.The same map that you chose earlier will turn out to be a different map with the same number. This gives you a total of 1998 maps instead of 999.

Bonus Gift Trick - Pick a land with plenty of water in it. Do not pick an island, but pick a land with the water near the middle. Find the middle of the land and make roads that form a cross all of the way to the map edge of your land. Do not connect the cross in the middle of the water, or the trick will not work. Once you make a cross with these roads near a body of water, you will be able to build anywhere from two to five casinos or amusement parks.

SUPER GHOULS AND GHOSTS - Stage Select and Sound Test - Plug in controller 2. Go to the option screen and move the cursor to the exit. Instead of exiting, hold button L and START at the same time on the second controller and press START on the first controller. You will find yourself on a special screen in which you can select stages, areas, sound effects and music.

Change the Music - Enter the option screen and use the trick shown above. Go to the sound select menu and look through D5 - EA. These are music selections for the game. Select one of the music tracks and then select B5. When you press the button to hear it, the music will change from the normal instruments to drum beats. You can do this with any music in the sound select menu.

SUPER MARIO WORLD - Secret Power-Up Room - Get the cape and go into the first ghost house in world 2. Run left and fly straight up the left side of the screen. Land on the platform and run to the right. You will see four blocks with 1-Up mushrooms and a door. Finish the level and a hidden dot will appear on the map. Power-up in this hidden room, then go back in for another 1-Up.

Bonus Items - At the end of every level of play, try carrying a turtle shell, a P-Block or an enemy through the high bar and into the next round. It will turn into a power-up item that you may either use at that time or save for later.

Get Back In Castles - When your character is on top of the castle in the map screen, just press the L and R buttons at the same time and you will be able to enter.

SUPER OFF ROAD - Unlimited Continues - Plug in both controllers and select a two player game. Play as the red truck, but let the blue truck stand still. When the race ends, you will be in third place, which will automatically put you into the next race. The unused blue truck will always be able to continue.

SUPER R-TYPE - Level Select - Go to the second title screen, hold the R button and press UP on the pad nine times. You will hear a tone that indicates the level select has been activated. Go into the game and press START to pause.

Weapon Select and Full Power-Up - At the title screen, press DOWN, R, RIGHT, DOWN, RIGHT, RIGHT, DOWN, RIGHT, DOWN, DOWN. You will hear a chime. Press START to begin. After the game has started, pause it and press R, RIGHT, DOWN, Y, DOWN, RIGHT, DOWN, LEFT, RIGHT, DOWN, RIGHT, RIGHT and then press A for a Ring Laser, B for an Air to Surface Laser, X for a Reflective Laser, Y for a Spread Laser or R for a Mega Bomb. After you have chosen one of these, press A for Homing Missiles, or X for Air to Surface Missiles.

SUPER SMASH T.V. - Life and Continue Increase - Go to the player/skill selection screen and push the control pad down to the level of skill. Now, hold the L button. While holding the L button, press and hold the R button. While these are held, press UP on the control pad. You will hear "Bingo" and a lives and credit increase will appear.

Sound Test - Go to the player/skill selection screen and press the two top buttons on the controller in the following order: L, R, L, L, R. You will hear the voice say "Bingo" and then you will be in a theme music and sound select screen.

SUPER TENNIS - Start In Final Game - Use this code to be a winner in every tennis tournament as "Amy." You must win the New York Open, which is the final game. The password is:

08QCMVF RHRMSYY
RHYH9QX J0VYQYH
4HR0CQ1 4065C6P
DJSSSRL MM8

ULTRAMAN - Option Screen - To get an option screen on Ultraman, push SELECT and START.

U.N. SQUADRON - Extra Difficulty Setting - First, plug in the second controller. Then, go to the option screen with the first controller and highlight the difficulty setting. With the second controller, hold the A and X buttons. While these are held, change the difficulty with the first controller. Finally, you will see a new level called "GAMER."

WANDERERS FROM Y'S - Invincibility Code - Begin a game and press reset on your machine. When the American Sammy logo appears, utilize controller 2 and press UP, DOWN, UP, DOWN, SELECT and START before the company logo fades out. When the continue screen comes up, select "continue" on controller 1and go into any previously saved area. Press SELECT to display the option screen and then go to the status screen. When the status screen shows up, press START on controller 2. The word "debug" should appear next to status. When you continue your game, you will be invincible.

Sound Test - When you are in the game, press SELECT on controller 1 to enter the command window. Next, press the SELECT button on controller 2. This will bring up the sound select screen.

AFTER BURNER 2 - Level Select - When the start prompt appears on the title screen, press and hold button C - followed by A and then B. Press START. A level select screen will appear that can transport you to almost anywhere in the game.

AIR DIVER - Secret Modes - Start the game and go to an area on the map with no enemies. Hold START and press A, B, C, B, A, A, B, C, B, A, B. Let go of START. Hold START for invincibility, hold A for fight ace, hold B for the mothership and hold C for the last Boss. Continue to hold as designated while you leave the hanger. Once the round begins, let go of the buttons.

ALIEN STORM - Stay Alive After You Die - To do this trick, you must have enough energy to do your special move. First, you must be the robot, Scooter. When you die, use its special attack move and it will end up with no energy, but it will not be dead. Do this trick every time you die, and (if you are good enough to power-up your life again) you will not lose any lives.

ALTERED BEAST - Secret Menus - To change your altered ego, at the title screen, press the pad DOWN and LEFT while holding all three buttons and press START. At the title screen, hold B and press START for a play select menu and when selecting the round, hold A and press START to choose it. At the title screen, press UP and RIGHT while holding the A and C buttons, and then press START for a sound test.

ARNOLD PALMER GOLF - Secret Tournament - There is a secret tournament in this game. Enter a lower case "f" across the top portion of the password box and enter a "9" across the bottom portion. Do this, and you will be in a new tournament with a different caddy who tells you much more than the one in the game.

Hidden Game - To enter a hidden game, hit 100 strokes on any hole. Then, during the "Game Over" screen, press UP, UP, DOWN, DOWN, LEFT, RIGHT, B, A, and then START.

ARROW FLASH - Invincibility - At the option mode, change Arrow Flash from Stock to Charge. Wait for the demo to play (after the story demo) and then hit START until the game begins. Each time you press C for three to five seconds, you will become invincible for 10 minutes.

BACK TO THE FUTURE 3 - Skip Stages - Pause the game at any point and simultaneously press these buttons together in this order: UP and A, DOWN and A, LEFT and A, RIGHT and A.

BURNING FORCE - Start With 10 Ships - At the title screen, press B, A, B, A, A, C, A, A. Then, hit START.

BUSTER DOUGLAS BOXING - Sound Test - To listen to the sounds in the game, press START on controller 2 at the game select screen. Press and hold DOWN on the controller and press the A button to play the music. Move to the sound effects and after the first one, press RIGHT for more.

CASTLE OF ILLUSION - Max Out Your Lives - Play the game until you are on level 2-2. Just before you get to the exit, you will see a Jack-In-The-Box. Kill him, walk to the left and you will get a bag of power-ups *and* 1000 points. Now, walk back to the right and stop at the question mark. Go back to the left to get another 1000 points. Mickey gets an extra life every 50,000 points, so repeat this trick until you have 10 lives.

CENTURION: DEFENDER OF ROME - Passcode- Enter this code on the save game screen to have control of many ancient countries and one fleet of ships: BN4Q AUIV W6IQ
ZCA5 555S 73IJ

DECAPATTACK - Airwalk and Life Refill - Here are methods you can use together. The first is the airwalk. Press the C button rapidly after you jump. Use the airwalk to position yourself over one of the red poles found in the game and then drop straight down onto it. Each time you do this, you will gain a half of your heart life back and one of the segments on the pole will turn white.

Bypass the Boss - As you approach the last fall before Toady, the second round Boss, float to the ledge on the left, then jump from ledge to ledge until you see the sign that says you have cleared the round. Be careful, though. You must get the special item before you leave the level. If you fail to do this, you will have to go back to the level and find the item, plus you will run into the second round Boss!

EL VIENTO - Instant Magic - Pause the game during play, and press UP, LEFT, RIGHT, DOWN and C. You will get one magic each time you do this trick. Repeat it for all five magic powers.

Clear Scene - At any time during play, pause the game and press UP, LEFT, RIGHT, DOWN, and then B. You will skip the stage you were in and go to the next one.

Slow Motion - Pause during play and press UP, LEFT, RIGHT, DOWN and then A. You will be able to move in slow motion with the sound still intact.

E-SWAT - Level Select - Beat the game and at the ending scene, hold diagonally down and left on the controller and all three buttons. Repeatedly push START until the music comes on. This brings up the music select screen.

F22 - Level Codes - To jump ahead to the end of any level, put in these codes: For Iraq - GT8C4A, for U.S.A. - 6O0A4A, for Korea - BH0B8K, for Russia - KS6A49.

FAERY TALE ADVENTURE - Play the End Game - To play the end game, put in the code: 7R2KUL6RSZXSK6NHGSDCB720663RI2HO785P, and enjoy the ending.

FANTASIA - Max Out Your Lives and Magic - First, fight your way in the second stage to the point where there are platforms that go up. Once there, you must jump up the platforms to the top where you will get a 1-Up. Next, fight your way through the level until you get to the point where you are right before the magic book. Take the magic book and keep moving right until you see a treasure chest. Go into the chest and you will come out just past the platforms. Go left and jump back up the platforms. Do this trick as many times as you want.

FORGOTTEN WORLDS - Unlimited Life - Press START to pause when your life is low, and switch to controller 2. Press START on controller 2 for a new life.

GAIARES - Invincibility - Pause, hold buttons A and C, press LEFT and unpause the game.

GHOULS AND GHOSTS - Invincibility Trick - Reset the game four times; press the A button four times, press UP, DOWN, LEFT and RIGHT on the pad, hold the B button and press START; hold the C button and press START.

Alternative Invincibility Trick - Press UP and A, DOWN and A, LEFT and A, RIGHT and A. You should hear a short "Harp" sound. When you hear this, hold B and press START. Then, hold C and press START.

GOLDEN AXE - Level Select - At the character select screen, press button B and hold the pad DOWN, LEFT and press START simultaneously on controller 1. A small number will appear in the upper left hand corner of the screen. Move the number with the pad to change your starting level.

GOLDEN AXE 2 - Over 200 Magic Units - Press and hold the A button when fighting the Boss on any stage. Do not let go of the button until you defeat the Boss and enter the bonus stage. Release the A button, but do not hit any of the wizards or take any magic books. Wait until the next stage and you will be able to use magic spells whenever you want.

Round Select - When the game starts, hold the A, B and C buttons and press START. Release the B and C buttons, but hold A. Go to the option screen and press B and C to enter it. Without releasing A, move the cursor to Exit and press B with C again. While holding the A button, press B and C together to make your choice of one or two players and press it again to choose a normal game. Select your character and without releasing the A button, hold UP on the pad, and press B, C and START simultaneously. Select your round with A and B.

HERZOG ZWEI - Level Codes - There are two different endings. Try these Blue side codes:
A's: LHGFHCHKBMH, B's: LHJKHCHKBLP
C's: LHJKINHKBLD, D's: LJJOIGBAPLG

RETROMAGS

Our goal is to preserve classic video game magazines so that they are not lost permanently.

People interested in helping out in any capacity, please visit us at retromags.com.

No profit is made from these scans, nor do we offer anything available from the publishers themselves.

If you come across anyone selling releases from this site, please do not support them and do let us know.

Thank you!
